

HELIX ENERGY SOLUTIONS GROUP, INC.
AUDIT COMMITTEE CHARTER

ADOPTED BY THE BOARD OF DIRECTORS

Purpose

This charter governs the operations of the Audit Committee (the “Audit Committee”) of the Board of Directors of Helix Energy Solutions Group, Inc. (the “Company”). The Audit Committee is appointed by the Company’s Board of Directors (the “Board”) to assist the Board in fulfilling its oversight responsibility to the Company’s shareholders, potential shareholders, the investment community, and others relating to (1) the integrity of the Company’s financial statements, (2) the effectiveness of the Company’s internal control over financial reporting, (3) the Company’s compliance with legal and regulatory requirements, (4) the performance of the Company’s internal audit function and independent registered public accounting firm, and (5) the independent registered public accounting firm’s qualifications and independence.

The Audit Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement.

Composition

Annually, the Corporate Governance and Nominating Committee shall nominate and the Board of Directors shall appoint at least three members to the Audit Committee, one of whom shall be designated by the Board as Chair. Members of the Audit Committee shall each be a member of the Board of Directors and meet the applicable independence, expertise, financial literacy and experience requirements imposed by the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the applicable rules and regulations of the SEC, and the NYSE listing standards. All Audit Committee members shall be financially literate, and at least one member shall be an “audit committee financial expert,” as defined by SEC regulations. The designation or determination by the Board of a person as an audit committee financial expert will not impose on such person individually, on the Audit Committee or on the Board as a whole, any greater duties, obligations or liability than would exist in the absence of such designation or determination. Unless the Board determines that serving on more than two additional audit committees would not impair the ability of such member to effectively serve on the Company’s Audit Committee, no member of the Audit Committee shall simultaneously serve on the audit committees of more than two other public companies. Audit Committee members shall serve for such terms as the Board may determine, or until their earlier resignation, death or removal, and may be removed and replaced by a majority vote of the Board of Directors.

Meetings

The Audit Committee shall meet with such frequency and at such intervals as it determines necessary to carry out its duties and responsibilities, but not less frequently than quarterly. The Audit Committee shall meet separately and periodically with management, the internal auditors and the independent registered public accounting firm, including meetings in executive session

with the independent registered public accounting firm and the internal auditors without management of the Company present. The Audit Committee may request any officer or employee of the Company, or the Company's outside counsel or independent registered public accounting firm, to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Any action required or permitted to be taken at an Audit Committee meeting may be taken by a written action signed collectively, or individually in counterparts, by all members of the Audit Committee. Any such written action shall be effective when signed by all members of the Audit Committee, unless a different effective time is provided in the written action. Reports of the actions of the Audit Committee shall be made to the Board of Directors at its next regularly scheduled meeting following the meeting of the Audit Committee.

Committee Authority and Responsibilities

Background

Under the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") and rules promulgated by the SEC, the Audit Committee is responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company, and the independent registered public accountants must report directly to the Audit Committee.

The Audit Committee shall have the authority to engage independent counsel and other advisers, as it determines is necessary or appropriate to carry out its duties. The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of (i) compensation to any independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company; (ii) compensation to any advisers employed by the Audit Committee; and (iii) ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

General Pre-Approval Policy and Procedures

The Audit Committee shall pre-approve all audit, review and attest engagements, and permissible non-audit and tax services to be performed by the independent registered public accounting firm, including but not limited to those described on Appendix A, subject to and in compliance with the de minimis exception for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act and the applicable rules and regulations of the SEC.

For practical purposes, between regular meetings of the Audit Committee pre-approval may be obtained from a member of the Audit Committee designated for such purpose, provided that the designated member of the Audit Committee reports any such pre-approval(s) at the next regularly scheduled meeting of the Audit Committee.

The Audit Committee will, on an annual basis and prior to the initial engagement of any independent registered public accounting firm, review a formal written statement from the independent registered public accounting firm delineating all relationships between the independent registered public accounting firm or their affiliates and the Company or a person in a financial oversight role at the Company, consistent with the Public Company Accounting Oversight Board (“PCAOB”) Ethics and Independence Rule 3526, “Communication with Audit Committees Concerning Independence.” The Audit Committee will discuss with the independent registered public accounting firm methods and procedures for ensuring independence.

In addition, in connection with each engagement, the independent registered public accounting firm(s) will always be required to represent and confirm that the proposed services will not adversely affect the independent registered public accounting firm’s independence.

Prohibited Services

The Audit Committee shall not engage the independent registered public accounting firm to perform any prohibited non-audit services. A list of the SEC’s and the PCAOB’s prohibited non-audit services for the independent registered public accounting firm is attached to this policy as Appendix B.

Charter and Self-Review

The Audit Committee shall review and reassess, at least annually, the adequacy of this Charter and recommend any proposed changes to the Board for approval. The Audit Committee shall conduct an annual performance evaluation of the Audit Committee and its members.

In addition to the foregoing, the Audit Committee is delegated all authority of the Board as may be required to fulfill the purposes of the Committee.
